

The Spindle Chair

What happens when the miracle God gives you threatens to destroy your marriage?

Laurie Crane is happily married. And she is usually able to overlook her husband's moments of quiet sadness. If only God would give them a child ...

Pierce wants a child as badly as Laurie and has spent years praying alongside her. But he has no idea that as "yes" from God will unearth long-buried memories and bring their marriage to the brink of catastrophe.

In The Barn Church Series first novel, THE SPINDLE CHAIR, Shellie Arnold explores what happens when "happily ever after" becomes more than one couple can handle.

Endorsements

I don't think I've ever read a novel quite like Shellie Arnold's *The Spindle Chair*. This story deals with some incredibly tough issues and does so with authenticity and grace. ~ Jennifer Slattery, author of *Intertwined*, founder of Wholly Loved Ministries

Shellie Arnold is an excellent writer who captures life events, emotions, and moves to biblical conclusions related to real life situations. I believe readers will be encouraged to know that Shellie faces life's tough issues (loss, depression, loneliness, adjustments, communication, perception, family of origin issues, etc.) head on. I appreciate the biblical integration of *The Spindle Chair* and endorse this book and wholeheartedly recommend it to couples. ~ Donald A. Lichi, Ph.D., Psychologist, Vice-President EMERGE Counseling Services

Beautifully written, I was hooked from page one, and the story didn't fade away even when I'd finished it. Poignant and heart-stirring, *The Spindle Chair* is a must read! ~ Ane Mulligan, author of *Chapel Springs Revival*

Shellie Arnold's novels depict the perfect storms in marriage--what happens when a husband's and wife's weaknesses hit head-on, and they're both left wondering if anything can be salvaged.

Tell our viewers why you write novels about couples whose marriages are in trouble.

What's unique about your novels?

In *The Spindle Chair*, the husband is the one dealing with a painful past, not the wife. Why did you write it this way?

What's the wife's main issue in the book?

Tell us a bit about the story.

What would you say to someone God is prompting to deal with hurts from their past?

What would you say to someone whose spouse is dealing with past hurts?
